Please encourage parents, guardians and chaperones to access our website for more information and to review our guidelines and tour information.

Chaperones

For the safety of the children and the farm, one adult chaperone is required to remain with each group of ten students while on the field trip. Required adults are admitted free; all other attending parents, siblings, chaperones and teachers are subject to the admission fee. (See below: payment for additional attendees.)

Teachers, please communicate to attending parents that they will need to pay \$10 to your school/group. They will be included in your total before you pay to enter, (babies and infants in carriers are free.).
